

## **Clinical Care and Coordination (Triple C) Clinician – 0.6 FTE**

FocusOne Health is a not for profit organisation providing a range of programs and services that aim to raise awareness and improve health outcome of the community.

FocusOne Health is seeking a motivated and passionate professional with high-level clinical expertise to provide mental health services in Naracoorte through the Triple C program.

The Clinical Care and Coordination Clinician (Triple C Clinician) will play a key role in the provision of clinical care coordination for people with severe mental illness, where the care can be managed appropriately within a primary care setting.

The Clinical Care and Coordination program (Triple C program) aims to coordinate and better integrate care for an individual experiencing severe and persistent mental illness, where multiple health care providers are involved in improving clinical outcomes.

Candidates will be Registered Nurses (AHPRA registerable) with experience and skills working with people with severe and persistent mental health.

The successful applicant will be remunerated in accordance with FocusOne Health's EBA dependent on skills, experience and qualifications. We offer flexible terms and conditions and attractive salary packaging arrangements.

In accordance with the South Australian Children's Protection Act 1993, the successful applicant will be required to obtain both a National Police Certificate and a Child Related DCSI screening, prior to employment commencing.
